Don't let wedding insurance be the one thing you forget for your big day

Foster City, CA – August 24, 2022 – [Insure.com](https://insure.com) releases this year its inaugural ranking of the best wedding insurance companies. Since weddings are a huge investment for couples, securing insurance is a good way to protect the amount, which averages \$28,000, that is poured into the big day.

A wedding insurance policy protects a couple in case of injury, property damage, event cancellation and sometimes even change of heart coverage.

Among the top wedding insurance companies:

- Wedsure
- eWed
- Progressive
- WedSafe
- Markel

For the new ranking, editors used a variety of data sources and looked at the cost, liability limits and coverage options to determine the top companies for wedding insurance.

“The best wedding insurance company for you depends on what type of protection you need and what your venue requires,” said Nupur Gambhir, managing editor of Insure.com. “Whatever type of wedding a couple is planning, there is little reason to neglect event or liability insurance.”

Gambhir is available to comment on wedding insurance.
