Quotesmith.Com Named One of Top 10 Insurance Web Sites by Personal Finance Online

DARIEN, Ill., April 24 /PRNewswire/ -- Quotesmith.com (Nasdaq: QUOT), the only place on earth where you can get instant auto, life, health, dental, disability and long-term care insurance quotes from more than 300 companies, and buy from the company of your choice, has today been named as one of the Top 10 Insurance Web sites by Personal Finance Online magazine. Quotesmith.com's inclusion in this exclusive group appears in Personal Finance's inaugural June/July, 2001 issue, on newsstands today.

"The wealth of choices has made selecting the appropriate insurance program a tough task," says Personal Finance. "It can be tricky and confusing to compare even the simplest to understand policies, such as term insurance, due to their varying cost structures and options. Quotesmith offers a range of online products covering dental, medical and annuities, and life insurance, which is its core product. Potential customers are offered quotes from 100 plus life insurance providers, as well as having access to underwriting information on each life policy that it offers. This service enables customers a broad overview of what is available in the market."

Selection as a Top-10 site by Personal Finance is just the latest in a string of recent accolades for Quotesmith.com, including being named one of the Top 50 Financial Web sites by Money magazine, "Best of the Net" by About.com's Guide to Personal Life Insurance, the #1 term life insurance site by FinanCenter.com, one of the top five life insurance sites by Forbes magazine, and the only insurance site named as one of the top 100 sites
