About Quotesmith.com

Founded in 1984, Quotesmith.com owns and operates a comprehensive consumer information service and companion insurance brokerage service that caters to the needs of self-directed insurance shoppers. Visitors to the Company's flagship Web site, www.insure.com, are able to obtain instant life, auto, health and home insurance quotes from more than 200 leading insurers and have the freedom to buy from any company shown. Insure.com also plays home to over 3,000 originally authored articles on numerous insurance topics and also provides free insurance decision-making tools that are not available from any other single source. Our Life Quotes division

provides telephone quotes, personal advice and brokerage services using in-house licensed agents. Quotesmith.com generates revenues from receipt of commissions paid by participating insurance companies, including industry-standard, back-end bonus commissions and volume-based contingent bonus commissions. Shares of Quotesmith.com trade on the Nasdaq SmallCap Market under the symbol "QUOT."

Cautions about Forward-Looking Statements

This announcement may contain forward-looking statements that involve risks, assumptions and uncertainties pursuant to the safe-harbor provisions of the Private Securities Litigation Reform Act of 1995. This announcement also contains forward-looking statements about events and circumstances that have not yet occurred and may not occur. These forward-looking statements are inherently difficult to predict. Expressions of future goals and similar expressions including, without limitation, "intend," "may," "plans," "will," "believe," "should," "could," "hope," "expects," "expected," "does not currently expect," "anticipates," "predicts," "potential" and "forecast," reflecting something other than historical fact, are intended to identify forward-looking statements, but are not the exclusive means of identifying such statements. Investors should be aware that actual results may differ materially from the results predicted and reported results should not be considered an indication of future performance. Reported Web site activity and/or quotes are not necessarily indicative of any present or future revenue. The Company will not necessarily update the information in this press release if any forward-looking statement later turns out to be inaccurate. Potential risks and uncertainties include, among others, concentration of common stock holdings, integration and management of the Life Quotes operation, declines in the life insurance industry, unpredictability of future revenues, potential fluctuations in quarterly operating results, competition, the evolving nature of its business model, risks associated with capacity constraints and the management of growth as well as the risks associated with the results of investigations of insurance company practices and potential terrorism threats. More information about potential factors that could affect the Company's financial results are included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 which is on file with the United States Securities and Exchange Commission.
