"We are thrilled to have Will join us at this time of rapid expansion," said Quotesmith.com Chairman and CEO Robert Bland. "Will is an outstanding brand-builder with great customer instincts and true marketing excellence. We look forward to having his passion, leadership and motivation skills at our company. Will's participation further strengthens our management team and will enable us to further accelerate our lead in the online insurance revolution that is just beginning."

"Because of its ownership of the largest insurance price comparison databases ever developed, Quotesmith.com is already the premier online insurance brand and possesses a unique e-insurance opportunity with outstanding potential for continued success," said Hemsworth. "Today, less than one percent of the $1.1 trillion U.S. insurance market is purchased online which means that the long term shareholder opportunity for Quotesmith.com to rapidly scale its business and build recurring revenue streams is enormous."

Quotesmith.com has recently received a number of plaudits. On November 29, 1999, Gomez Advisors awarded Quotesmith.com its No. 1 Bargain Hunter Internet insurance site category ranking. In referring to the enormous number of participating insurance companies at Quotesmith.com and the time-saving convenience of having all of this information in one place, the November 22, 1999 edition of BusinessWeek called Quotesmith.com a "top site" while the November 15, 1999 edition of U.S. News and World Report stated that Quotesmith.com "...excels at comparing prices and terms from many firms."
